

# Pre-Concert Art Show

The Arts Alliance of Three Rivers is a nonprofit organization supporting the arts in our community. We encourage artists in all media. We present shows, workshops, and other activities throughout the year, grant scholarships to local students, and present the historic Redbud Festival in May, which is a celebration of music, food, arts and crafts.

We are pleased to return this year to the Concert on the Grass, and hope you will enjoy meeting the artists who are displaying their work today. They are Jim Entz, Shirley Keller, Karen Kimball, Nadi Spencer, Tina St. John, and Sharon Warren.

Providing ambience for the exhibition, Raymond Pitts, clarinetist and Ken Elias will play for your viewing pleasure.

You can learn more about the Arts Alliance of Three Rivers at our website: <http://www.artsthreerivers.org/> or by calling 559.561.4417.

Sincere thanks to all those who make this event possible. The parking crew, contributors who help defray the costs, the visiting artists who give so willingly of their time and talents, and of course, all those who attend the event, and affirm the artistic efforts of the performers.

# Concert Program
